

Wet Umbrella Bag Stand Dispenser

Double Wrapper

Wet Umbrella Bag Stand Dispensers offer a safe and easy way for customers and employees to bag their small and large wet umbrellas in an effort to prevent floors from becoming slippery, unsightly and, ultimately unsafe.

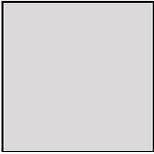

- These double dispenser umbrella bag stand wrappers do not need to be plugged into an outlet nor have other moving parts that can jam.
- Just insert the umbrella in the oversized top opening and down into the body of the dispenser. Pull the umbrella forward for a fully wrapped umbrella.
- Advanced SmartWrap Technology, makes sure that wet umbrellas are quickly and easily wrapped in a bag without worrying about torn bags or jammed dispenser heads.
- Available in both satin stainless steel and satin gold.
- Dispensers and umbrella bags are sold separately.
