

Rubber Mud Scraper Mat

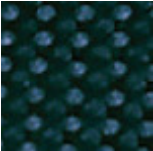

The Mud Scraper is incredibly effective at cleaning shoes and boots which are exposed to mud, grass clippings, snow, salt, sand or any type of debris that is better left outside.

- Flexible rubber fingers scrape large contaminants off the sides and bottom of boots and shoes.
- Use the Mud Scraper in conjunction with a traditional entrance mat in especially challenging areas, or as a stand-alone product in tight spaces.
- The Mud Scraper mat can be bolted or staked down for permanent applications. This mat also functions as a mobile entrance mat for workers who consistently find themselves in muddy or messy areas and then travel to the next location.
- Similar products with stiff coir bristles easily get clogged with gunk; the Mud Scraper mat, however, is easy to clean. Dirt and debris are easily shaken off, while snow and ice melt off and filter down the front and back edges.
- 12 3/8" x 15 1/4"

Item No: MS

Standard Sizes (Approximate)				
Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
12 3/8" x 15 1/4"	\$38.88	\$37.50	\$35.20	\$33.40
